EXPERIENCE

Aliquantum International — *Jr. Designer & Illustrator*

March 2025 - July 2025

- Collaborated with the design manager and overseas teams to create Toy designs for global brands such as Honeymaru.
- Designed product packaging and die-lines for toys, ensuring consistency with approved style guides and brand standards.
- Developed marketing and sales pitch decks and visual assets for clients, including Hot Topic and Daiso.

Starburns Industries — *Development Intern*

September 2025 - February 2025

- Created graphic assets and executive-level Keynote pitch decks for original IPs presented to Amazon, Adult Swim, and Netflix.
- Participated in creative development by analyzing scripts and contributing feedback on story and character design.

Webtoon — *Artist & Writer for webcomics*

'The Dolls are Lying' and 'Watered by the Sea'

January 2019 - January 2021

- Independently created visual narratives, layouts, and typography for original comics, *The Dolls are Lying* and *Watered by the Sea*
- *The Dolls are Lying* was featured in *Editor's Pick* and *Recommended Series*
